EXHIBIT A to
ARTICLES OF INCORPORATION FOR
DUNSTAN CROSSING HOMEOWNERS ASSOCIATION
(the "Association")

ARTICLE FIFTH:

Membership in the Association is generally governed by the Dunstan Crossing Homeowners Declaration recorded or to be recorded in the Cumberland County Registry of Deeds as it may be amended from time to time (the "Declaration") with respect to property located in the Town of Scarborough, Maine as identified in the Declaration (the "Property").

Capitalized terms not otherwise defined herein shall have the meaning set forth in the Declaration.

The Association shall have two (2) classes of Members, Class A and Class B, defined as follows:

(a) Class A Members. The Class A Members shall consist of the owners of each lot located in the Property upon which a single family dwelling has been constructed and for which a certificate of occupancy has been issued by the Town of Scarborough or which is in fact occupied for single family purposes for at least 10 days, and each such lot shall be eligible to hold one vote.

Initially there are no Class A votes. Once the Developer Control Period specified in the Declaration expires following the sale of 90% of all the single family lots approved by the Town of Scarborough that may be created in the Property (initially up to 125 lots), each eligible lot with Class A Members shall have one vote.

(b) Class B Member(s). The Class B Member(s) shall be the Declarant as defined in the Declaration. The Class B Member(s) shall have ten (10) Class B votes. The rights of the Class B Members shall include the right to approve actions taken under the Declaration and the Bylaws of the Association, are specified hereinafter and to appoint and remove the Members of the Board of Directors during the Developer Control Period established under the Declaration.

After termination of the Developer Control Period, the Class B Member shall have a right to disapprove actions of the Board of Directors, the Design Review Board and any committee, all until the Class B Membership terminates. The Class B Member may voluntarily relinquish any or all of the foregoing rights from time to time by an instrument signed by all Class B Members and recorded in the Cumberland County Registry of Deeds referring to these Articles of Incorporation.

Within the Class B Members, decisions shall be made by majority Vote if there is more than one Declarant. If there is more than one Class B Member, then the Class B Votes shall be allocated based on the ratio the number of single family Lots potentially eligible to vote located on portions of the Property owned by such Declarant which may

be created in accordance with the Master Subdivision Plan (even if a Lot consists only of an unimproved lot of land) to the total number of such residential dwelling Lots.

The Class B Membership shall terminate upon the earlier of:

- (i) sixty (60) days after the expiration of the Developer Control Period under the Declaration; or
- (ii) as of the specified effective date of when the Developer(s) surrenders its Class B Membership in whole or part as evidenced by an instrument signed by all Developers recorded in the Cumberland County Registry of Deeds specifically referring to these Articles.

The Developer at all times shall be entitled to cast the votes allocated to its Lots in any Neighborhood Association and act on behalf of the Association in the same manner as any other Member, even after the expiration of the Developer Control Period hereunder or under the Association's governing documents

ARTICLE EIGHTH:

Board of Directors. The affairs of the Association shall be governed by a Board of Directors.

Initially during the Developer Control Period as defined in the Declaration, the Board of Directors shall be composed of three (3) directors appointed by the Developer as the Class B Member.

The Declarant shall have the right to appoint, remove and replace the Directors of the Association until the first meeting of Members following the conveyance of ninety percent (90%) of the all single family Lots that Declarant has the right to create within the Properties. Upon the expiration of the Developer Control Period, the Class A Voting Members shall then vote to elect the Board of Directors.

Initially there shall then be a total of seven (7) directors. The number of directors may be changed by amendment to the Bylaws, subject to the limits as to the minimum and maximum number of directors set forth herein and further subject to the Declaration.
